Other Method: _____ Digital Printing Vinyl Die Cut

Artwork: All jobs require VECTOR artwork (.ai or .cdr format) is essential for screen printing, digital, vinyl die cutting or engraving. RASTER artwork is only acceptable for photographs and similar style artwork at 300 dpi for best results. Artwork requiring touch will incur a minimum art charge of \$70 per hour.

Terms: For FIRST time customers: 50% deposit required to begin production of order; balance due: C.O.D., Check, Visa, MasterCard, or American Express prior to shipping order.

Delivery: Custom Fabrication, please allow about two weeks. Rush Orders incur an additional charge.

Freight: F.O.B. La Habra, California

Above prices are good for thirty days and does not include shipping unless specified. Sales tax will be charged unless a resale card is filed prior to or at the time of order, and is non-refundable after completion of the order. Plexi Display Inc. urges persons submitting drawings or blueprints for fabrication to make their own determination as to the design's suitability for their particular application. Plexi Display, Inc. is not responsible for any problems arising from inadequate designs submitted by the customer to us for fabrication.

We are eager to render our services to you. Thank you for taking interest in Plexi Display, Inc.
